

Viasat to Participate in Deutsche Bank Global Space Summit

Nov 13, 2024

CARLSBAD, Calif., Nov. 13, 2024 /PRNewswire/ -- [Viasat, Inc.](#) (NASDAQ: VSAT), a global leader in satellite communications, today announced that its President of Global Space Networks, Craig Miller, will be participating in the [Deutsche Bank Global Space Summit](#), which will be hosted in New York, New York on Wednesday November 20, 2024 at 3 p.m. ET. Miller, who previously led the Viasat Government Systems business, will participate in the in-person summit on a defense technology panel alongside commercial and government leaders.

There will not be a webcast for this in-person event. A link to the recording of the session will be posted to the [Investor Relations section](#) of the Viasat website after the event is complete and the recording is made available.

For specific conference information, or to register to attend the Deutsche Bank Global Space Summit, please [contact the organization](#) directly.

About Viasat

Viasat is a global communications company that believes everyone and everything in the world can be connected. With offices in 24 countries around the world, our mission shapes how consumers, businesses, governments and militaries around the world communicate and connect. Viasat is developing the ultimate global communications network to power high-quality, reliable, secure, affordable, fast connections to positively impact people's lives anywhere they are—on the ground, in the air or at sea, while building a sustainable future in space. In May 2023, Viasat completed its acquisition of Inmarsat, combining the teams, technologies and resources of the two companies to create a new global communications partner.
